

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Police Department Grant Application

MEETING DATE: February 15, 1995

PREPARED BY: Larry D. Hansen, Chief of Police

RECOMMENDED ACTION: That the City Council concur with the decision to commit a maximum of \$5,000 of Contingency Fund monies to John A. Griffin, of Griffin Grant Writing and Consulting.

BACKGROUND INFORMATION: Due to extremely tight deadlines in Federal Crime Bill funding, Lodi Police Chief Hansen has recommended the retention of Griffin Grant Writing and Consulting to apply for the technology phase of Crime Bill Grant monies. If funded, the Police Department should receive approximately \$300,000 to \$400,000 in Federal funds to assist us in the purchase of mobile data terminals. The grant we are applying for has a deadline of March 16 and subsequently we are working on a very tight schedule.

Griffin Grant Writing and Consulting has provided the City with a professional use contract for retention of services. The initial amount is to be \$2,500. The remainder will be payable upon completion of the Crime Bill Grant, not to exceed \$5,000.

FUNDING: \$5,000 from the Contingency Fund.
